Curtains by Franklyn

Curtains are on trend again, and Franklyn has an all new exclusive 'Trendz' fabric range that will transform your room into an elegant environment or a modern contemporary space. From sheer fabrics that bring elegance to a room with the benefits of light control and privacy, to block-out and triple weave fabrics that block the light, and act as great insulation in both summer and winter.

HIGH QUALITY TRENDZ FABRIC RANGE

Sheer · Lining · Block-out · Triple Weave fabrics

Choice of two track styles

A sleek curved design track is suited perfect for ceiling mounted curtains, and our square track design which looks great anywhere, the choice is yours. Both curtain track styles are available in double tracks also.

Choice of curtain styles

Pleat styles are available in double and triple pleats, also known as 2 pleat and 3 pleats. Pleated curtains are more traditional and offer some elegance to a room.

Wave fold curtains are also known to bring a contemporary look and feel to a room especially with a lovely sheer fabric, giving a soft ambient touch which is great for living rooms and open spaces and suited to a wider range of curtain fabrics.

Box pleats curtains are a more modern curtain style, and is popular amongst new and contemporary home decor.
