Another reason why... frankly only Franklyn will do!

Why frankly, only Franklyn will do!

Better Choice

Since opening in 1987, we have continued to innovate and improve our products so we can offer you Brisbane's biggest range of Blinds, Shutters, Awnings and Security screens. Having a bigger variety to choose from means you'll find exactly what you need for your home at Franklyn.

Professional Advice

With so many factors to consider when choosing the right window furnishings, you may feel a little overwhelmed by all the options. To help you select the best solution for your home, our professional staff will be by your side every step of the way.

Locally-owned Company

You'll have peace-of-mind dealing with an independent, locally-owned company that has over 35 years experience in the industry. With our showrooms based in Cleveland, Carseldine, North Lakes, Tingalpa, Helensvale and Rochedale, we are never too far away should you ever need us.

Convenience

Browse through our extensive product range at one of our local showrooms or visit our website. Alternatively, take advantage of our obligation-free consultation from the convenience of your home, where you will receive advice, measuring and quotations.

Measuring & Installation

To ensure a quality finish and accurate fit, all of our products are measured and installed to meet our meticulous standards. This personalised service ensures your products will meet your individual requirements.

National Security Screen Association

Franklyn are members of the National Security Screen Association that ensures our security screens meet and exceed the Australian standards.

XTRA PEACE OF MIND.

Blinds

BOSTON BLOCKOUT - PEARL

Our range of Blinds include Rollers, Romans,
Sheer Elegance, Panel Glides,
Vertical Drapes, and Venetian Blinds,
Motorised Blinds

Single Roller Blinds

With an impressive range of colours and styles to choose from, Roller Blinds can make a bold fashion statement or blend unobtrusively in any room.

Our Roller Blinds are custom-made to your needs and finished with colour coordinated accessories.

Create the look you want with a range of fabrics that include plains, jacquards, textures and pattern prints incorporating your choice of trims, cut-outs or ring pulls.

Our Roller Blinds come with an easy-to-use chain control, or for the ultimate in modern living, they can be fully automated.

Roller Blinds can be combined with Roman Blinds and Panel Glides in the same room, ensuring a consistent theme.

Ask about our range of motorised blinds.

Dual Roller Blinds

Dual rollers, incorporate two blinds to a window, allowing you the luxury of sunscreen by day and privacy by night.

Roller Blinds can be combined with Roman Blinds and Panel Glides in the same room, ensuring a consistent theme.

Sheer Elegance Blinds

Sheer Elegance Blinds are a versatile alternative to traditional Venetian and Roller Blinds. This revolutionary blind is crafted from lightweight sheer fabrics that combine opaque and transparent strips to form a double layered blind.

The unique design of Sheer Elegance Blinds allows the layers to move between varying levels of light control and privacy so you can completely close them or open them to allow a view between the strips.

Available in a variety of fashion colours, Sheer Elegance Blinds help soften daylight by reducing glare and light entering the room.

Sheer Elegance Blinds can also be raised or lowered to the desired height in the window just like Roller Blinds.

MagicFix Roller Blinds

Franklyn's New MagicFix Roller Blind System has an innovative friction mechanism using tension that magically sticks to your window reveals. The roller blind top tube fittings have specially designed friction pads that when adjusted, stick firmly to the window reveals.

Franklyn MagicFix Roller Blinds are also perfect for windows where there are ceramic tiles, granite, marble or any other fragile material.

Panel Glide Blinds

Panel Glide Blinds will transform any room with their cultured, sophisticated look. Select from our huge range of quality blockout or translucent light-filtering fabrics, offering you better light control and enhancing your room's ambience.

This innovative shading solution for large windows, sliding doors and bi-fold doors, looks fabulous in ultra modern or traditional interior design themes.

What makes Panel Glide Blinds unique are their wide panels that when open, stack neatly behind one another allowing maximum light into the room. When drawn into the closed position, they create a complete fabric screen providing light control and increased privacy.

Panel Glide Blinds can be combined with Roman Blinds and Roller Blinds in the same room, ensuring a consistent theme.

Vertical Blinds

Vertical Blinds are easily the most practical blind on the market, suited to most windows and door openings with simple, easy-to-use wand or cord controls that rotate the slats through 180° giving absolute control over the light and the desired level of privacy.

Manufactured to exacting quality standards, Vertical Blinds are carefully crafted with the finest materials to ensure a long, trouble-free life.

With a choice of hundreds of decorator colours, patterns, plains, translucent or blockout fabrics, they will complement any décor.

Roman Blinds

Add the designer touch to any room with our stylish Roman Blinds.

Incorporating superior operating systems to ensure years of trouble-free use, our Roman Blinds are durable and functional, using quality cordlock, pulley and chain operations.

Featuring timber or aluminium battens, you can create either a casual or formal look.

Select from our huge range of blackout, light filtering or sunscreen fabrics, giving you better light control which will enhance the ambience in your room.

Roman Blinds can be combined with Roller Blinds and Panel Glides in the same room ensuring a cohesive theme.

MERCURY BLOCKOUT - WHITE

MERCURY UNCOATED - WHITE

BROOME BLOCKOUT - BONE

Venetian Blinds – Aluminium

Aluminium Venetian Blinds offer a contemporary look suited to modern or traditional décor. Practical and stylish – you can transform any home or office with our large range of decorator colours.

Venetian Blinds give you complete control of the light in any space and they can also be easily raised and locked into any position.

Our high quality painted Aluminium Venetians also offer the advantage of being water resistant. The result is a versatile 25mm blind, which is equally suitable for use in wet areas and dry areas.

Venetian Blinds – PVC - Composite

Classic Venetian Blinds are one of the most functional blinds. With a simple adjustment of the tilt controls you can alter the view from total privacy to subtle changes of light and shade.

Venetian Blind Colours

Franklyn Venetian Composite Blinds are available in Timbalook Smooth White 63mm, Timbalook Smooth White 50mm, Fashionwood White 50mm, Sterling 50mm, and Shale 50mm.

Curtains

WOOLAMAI SHEER - WHITE - TRIPLE PLEAT
HARRIS BLOCKOUT - FOG - TRIPLE PLEAT

Our range of Curtains include,
Sheer, Lining, Blockout and Triple Weave Fabrics,
Motorised Curtains

Single Track Curtains

Curtains are on trend again, and Franklyn has an all new exclusive 'Trendz' fabric range that will transform your room into an elegant environment or a modern contemporary space.

Franklyn Single Track Curtains are available in a square track style or a sleek curved tracked style that has been designed perfectly to suit ceiling mounted curtains.

Curtain styles available are:-

Wave Fold, Double Pleat, Triple Pleat, Box Pleat.

- Wave fold curtains bring a contemporary look and soft ambient touch when using sheer fabrics.
- Box pleat curtains are a more modern curtain style, and is popular amongst new and contemporary home decor.
- Double or Triple pleat curtains are more traditional and offer classic elegance to a room.

Double Track Curtains

Enjoy the benefits of both Sheer and blockout fabrics or choose two curtain styles with double track curtains by Franklyn.

Various types of exclusive curtain fabrics are available at Franklyn, such as sheer fabrics that bring elegance to a room with the benefits of light control and privacy, to blockout and triple weave fabrics that block the light, and act as great insulation in both summer and winter.

Shutters

Our range of Shutters include,
NuFusion PVC, Timber, and Aluminium

Shutters – NuFusion PVC

NuFusion Shutters are elegant and functional window coverings suited to any indoor area in your home. By incorporating aluminium core inserts in both the solid elliptical blade and panel styles, NuFusion Shutters deliver higher strength and greater rigidity which prevents sagging and distortion.

You have complete control of your living environment by simply adjusting the blades – open to allow the cooling effect of summer breezes or close to retain heat in winter.

Available in fixed, hinged, sliding or bi-fold styles, shutters are also an excellent option for bay or corner windows. NuFusion Shutters enhance both modern and traditional architecture. Choose from our range of designer standard colours or select a custom colour to suit your décor.

NuFusion Shutters come standard with a 20 year warranty to give you added peace of mind. We guarantee your shutters will not chip, crack, split or distort and will look as good as new for many years.

*Franklyn's NuFusion PVC Shutters are directly imported by Franklyn.

Shutters – Timber

Our internal Basswood timber shutters are naturally beautiful yet energy efficient and functional. Suited to any décor and style, Timber shutters will provide your room with the ultimate transformation.

Our Timber shutters are manufactured in a range of luxurious natural colours or an extensive range of painted finishes.

We can also provide custom stained and painted colours for an exclusive window finish for your room.

Choose from 63mm, 89mm or 114mm elliptical blades in fixed, hinged, bi-fold or sliding configurations for your window application.

Custom-made to your specifications and hand finished using the highest quality lacquers and coatings.

Continued...

Basswood shutters are also available in a range of shaped panels such as Arch, Circle, Raked, and many more. Our timber plantation shutters offer a light weight natural timber solution that will look stunning for many years.

For more information regarding the various shapes, please talk to one of our consultants.

*Franklyn's Basswood Plantation Timber Shutters are directly imported by Franklyn.

Shutters – Aluminium

Franklyn External Shutters have been developed specifically to withstand outside conditions and extreme climates.

External Shutters make the most of your outdoor living areas and are ideal for patios and decks allowing you to control light, noise and privacy while maintaining your view.

Our Aluminium Shutters are custom-made to order and constructed from high quality materials

Aluminium will not splinter, flake, peel, corrode, discolour or warp.

Continued...

Made from powder-coated aluminium, they are weather resistant and unaffected by long periods of water contact – making them ideal for external applications.

Available in fixed blade or adjustable – they come in a wide range of colours and profiles to complement the outside of your home.

Awnings

DOCRIL - 317

Our range of Awnings include Folding Arm, Fixed Canopy, Auto Roll-Up, Drop-Arm, Patio, Café, Louvre & Privacy Screens

Poinciana Folding Awning

The Poinciana Awning is a fashionable retractable awning that provides great sun protection with a maximum projection of up to 3m and 5.8m width.

Available in either wall or ceiling installation with manual or motorised operation.

When not required, the fabric awning can be rolled discreetly out of sight, leaving no unsightly structures.

The Poinciana Folding Arm Awning can also be installed with pitch adjustment control.

DOCRIL PEPPER - 114

Australia Folding Awning

The Australia Awning features easy to use pitch control, so you can adjust to follow the setting sun.

The awning is standard with cost effective manual operation or motorisation can be added so you can control your awning with the touch of a button.

The Australia is available with a handy maximum projection of up to 4.1m.

*Optional LED Arms are now available with the Australia as an upgrade.

Weather box colours are standard in the colorbond range or optional extra powder coat colours are available.

Locally made by real people.

Italian designed Feng Folding Awning

The Feng is our new flagship awning. Featuring a beautifully designed, rounded and enclosed aluminium cassette, as well as the option of integrated LED lighting.

With its rounded shape, this awning perfectly suits any architectural context and the addition of integrated lighting ensures it can easily be used throughout the day and into the night.

The Feng's patented design conceals all screws, brackets and pins to ensure an unmatched finish and premium aesthetic. The Feng is available with a maximum width of up to 7m and a 3.65m projection.

Acmeda Motorisation

AUTOMATE APP

The Automate Pulse 2 App enables sophisticated shade control straight from any iOS or Android smart phone or tablet.

POWERED BY ARC

ARC™ (Automate Radio Communication) is Rollease Acmeda's proprietary, bi-directional communication technology that brings the Automate motorised shade systems together.

NEW CONTROLLER - PUSH 15

The NEW Automate® Push 15 series fuses luxury with functionality and available in two premium finishes – Gloss White and Matte Black to suit your existing interior decor.

Featuring tactile easy button control, lighting up at the press, while also offering favourite position and group channel options.

Somfy Motorisation

TAKE CONTROL OF YOUR EVERYDAY LIFE

Enjoy the experience of controlling your awning with a Somfy powered solution such as your smart phone. Simply operate your awning from wherever you are in the world, or set schedules to automatically do it for you.

Eolis 3D WireFree

100% wireless motion sensor for external folding arm awnings.

Situo RTS - Remote Control

Control all your solutions at once including your folding arm awning. Available in 1, 2 and 5 channel versions to control one or multiple products.

All Kinds Of Outdoor Blinds

Outdoor Blinds are perfect for enclosing pergolas, verandahs and outdoor living areas, providing privacy and weather protection. We offer wire guide, cord & pulley and various channel guides in a wide range of fabrics and PVC materials.

Custom-made to suit your specific needs, Patio & Café Awnings are designed to maximise the use of your covered outdoor areas all year round without creating a visual barrier.

Outdoor Blinds can add a new dimension to the exterior of your home by offering a visually attractive solution to weather protection.

Choose from various fabric colours to create the desired effect.

Zipscreen Outdoor Blind

Specially designed for alfresco entertaining areas such as pergolas, verandahs and balconies, it offers privacy and protection from the sun, wind and rain all year round. Also ideal for home and office windows, it serves as a sleek, secure and durable alternative to traditional awnings and outdoor roller shutters.

Your custom Zipscreen can be made in widths up to 5.8 metres, offering you an external solution to fit almost any area.

Zipscreen Extreme is available up to 7m in width.

Locally made by real people.

Auto Roll-Up Fabric Awnings

Protect your home and cut down your cooling expenses with Australian-made Automatic Roll-Up Fabric Awnings.

Fabric Awnings reduce the total heat load on and in your house, minimising the need for supplementary cooling. Your valuable carpets, curtains and furniture will be protected from direct or reflected sun damage.

The close-fitting design of this versatile and attractive awning makes it an excellent choice for windows, offering the benefits of optimum privacy and sun protection.

Easy function, self-locking arms enable simple shade adjustment, and when the sun goes down, the Auto Roll-Up Awnings can be rolled away neatly into a head box.

Drop-Arm Fabric Awnings

Our Drop-Arm Fabric Awnings are an ideal solution for shading any type of window.

Drop-Arm Awning arms pivot in an arc, extending and retracting the fabric skin providing protection for your windows. The benefits come from the larger area between the awning and the window, enabling greater air circulation.

Elegant Drop-Arm Awnings are an excellent solution to reducing the total heat load to your home, resulting in more comfortable temperatures during the day whilst protecting your valuable carpet and furnishings from the fading effects of ultraviolet rays.

Fixed Canopy Fabric Awnings

Fixed Canopy Fabric Awnings provide an attractive solution to the damage caused by Australia's harsh climate. Made from durable materials, Fixed Canopy Awnings offer shade and added protection from rain.

Available in a wide range of fabrics including block colours and stripes.

Add those final touches with a beautiful custom made fabric awning.

Choose from various fabric colours on offer to create the desired effect.

Fixed Canopy Metal Awnings

Fixed Canopy Metal Awnings provide an alternative low-cost solution to the damage caused by Australia's harsh climate.

Produced from multi-rib cross-section Tru-steel panels, its rigid strength will provide greater wind resistance and protection against hail and storm damage. Ideal to protect entry ways or patios from the elements.

With our large range of Colorbond colours to choose from and the ability to mix and match panels, you can create a unique look for your home.

Locally made by real people.

Louvre Awnings – Aluminium

Aluminium Louvre Awnings are light and durable and are an ideal way to control privacy whilst at the same time not obstructing air flow or the view.

Aluminium Louvre blades also reflect up to 90% of the heat normally transmitted through a window, which can significantly reduce energy costs for your home.

By choosing an Adjustable Louvre Awning you have the luxury of controlling the amount of light, heat and privacy you require by manually adjusting the louvre panels. This can be operated internally or externally.

** Standard colours above are an indication only and may appear different on paper or on screen to the actual powder coated colours.*

Available in a range of standard or custom powder-coated colours, Aluminium Louvre Awnings provide a stylish modern finish to your home.

Aluminium Privacy Screens

Franklyn Aluminium Privacy Screens are a modern, seamless design that will add value to your home. Suited to gate features, presentation walls, fencing and privacy screening, they are often used as features or highlights in modern architecture.

Aluminium Privacy Screens are available in either flat or louvred styles with 65mm elliptical slats. Flat style Privacy Screens come with a choice of 10mm or 20mm spacing depending on the level of privacy required.

A unique alternative to timber, aluminium is weather resistant and will not splinter, flake, peel, corrode, discolour or warp.

Aluminium Privacy screens will help you feel more comfortable in your home while still being architecturally appealing.

You can still enjoy the view without reducing light or air.

What some of our customers have said:

"...the guys who installed all of our orders were terrific! They cleaned up the mess every time. Thanks for your professionalism and speedy service."

Lisa & Scott

"We don't normally write letters of praise but we wanted to let you know how happy we were with every stage of dealing with your company....everyone was very friendly and efficient in their jobs. We would have no hesitation in recommending you."

Rob & Trudi

"This was my third purchase from Franklyn. I have the highest regard for your staff, and to date I have had complete satisfaction with your products and service."

Barrier to provide fall prevention.

Warranty

ArmourX

ArmourX Plus

This warranty is in addition to other legal rights the consumer has under the Australian Consumer Law.

All warranties are conditional. For the warranty to be valid, customers must adhere to the care instructions provided by Franklyn. In addition, a receipt providing proof of purchase is required for any warranty claims.

Australian Made & Owned

As Australia's most trusted & recognised country of origin symbol, carrying the Australian Made logo ensures ArmourX is certified as 'genuinely Australian'.

Care & Maintenance

ArmourX security screens are made with corrosion and rust resistant materials, and are powder coated for additional protection.

Regular cleaning with a mild detergent, warm water and non-abrasive brush or cloth will help keep your security screens looking and performing at their best.

Read more in our care and maintenance guide available on our website.

Decorative Doors

Decorative Doors, featuring a variety of styles, patterns and colours, will add a touch of personal style and individuality to your home.

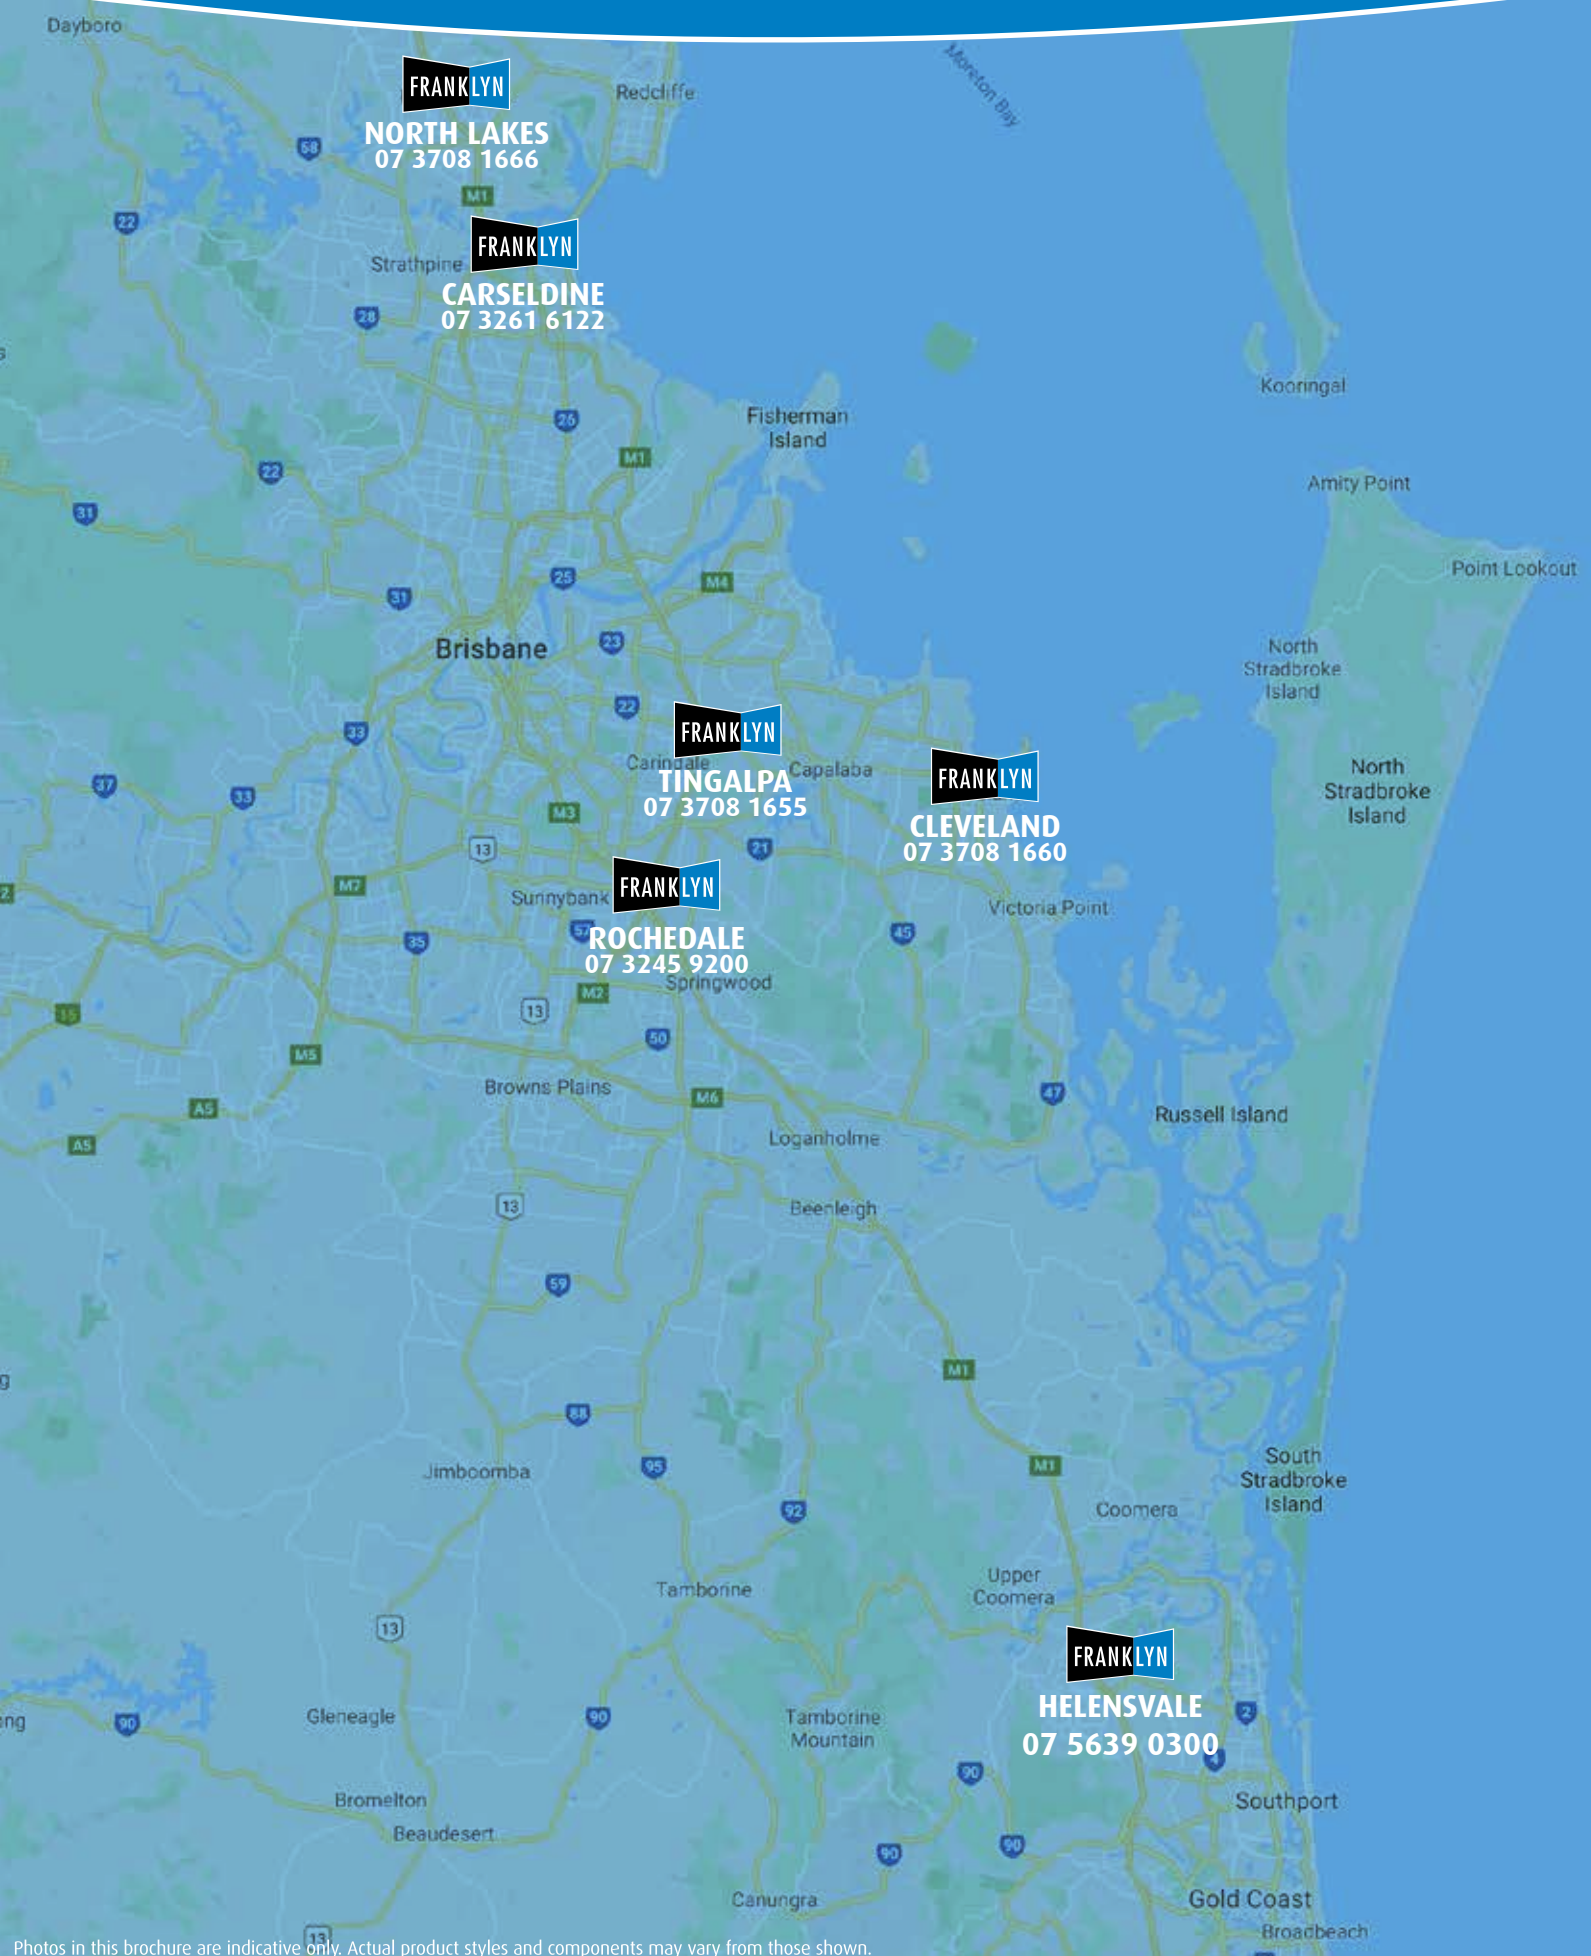

The moulding process allows for intricate designs that feature low-maintenance aluminium to achieve a thick and solid finish.

Rust will never be a problem, as Decorative Doors are made from gravity die cast aluminium – also known for its strength and durability.

A photograph of a family of four (a man, a woman, and two young children) sitting inside a large white house-shaped frame. The frame is set against a white brick wall. The family is smiling and looking at the camera. The man is on the left, holding the frame up. The woman is on the right, also holding the frame up. The two children are sitting in front of them.
