

PIUMA

Ideal for our harsh Australian climate the Piuma Folding Arm awning is the perfect awning to provide sun and heat protection over your outdoor area.

Choose an optional weather box to protect and extend the life of your awning. Offered in a wide range of mesh fabrics; you can choose your fabric to compliment your home. Available with manual Crank operation or Motorisation.

Piuma features the Fusion Arm with a tensioned, spring loaded, double stainless steel cable, PVC coated for added protection against corrosion.

The Dynamic Arm Torsion System (DATS) is specifically designed to prevent fabric damage and sagging by maintaining constant tension.
