RETREAT™
The Wall Mounted Umbrella

FRANKLYN®

"Frankly only Franklyn will do"

Patented & Trademarked Technology

Clever shade for compact spaces.

The Shadowspec Retreat™ is built from sleek, modern materials. We've handpicked the world's best to ensure longevity. Anodised Aluminium and 316 Stainless Steel work in harmony with our in-house design philosophy.

SHADOWLIFT™

Gas-assisted deployment for an easy lift.

SHADOWROLL™

Integrated roller allows smooth deployment.

SHADOWREACH™

Extend for maximum shade reach.

SHADOWTILT™

Protects from low-angled sun rays.

Follow the sun

ROTATES

Allows shade for the duration of the day.

TILTS

Two tilt positions to protect when the sun is low.

EXTENDS

Away from the wall.

The Shadowspec Retreat™ is dynamic - view the video to see how it works bit.ly/retreat-intro

300mm	
95mm	
130-150mm	
2300mm	
2700mm	

Note: Fastenings are not supplied for the Wall Mount Bracket.
All sizings and conversions are +/- 2.5mm and are subject to change without notice. We recommend commerical installations use metric measurement for any umbrella spacing to ensure accuracy. The above dimensions make the assumption that you have installed your umbrella at the recommended installation height on your wall. If you have installed your Retreat lower or higher than recommended, you will need to add that difference to the above measurements.
